

Dorothy McCain Elsenius

Those who have had a chance to read Bob Jersey's account, in the AHS Informer, of his recent visit to the children's ward at Sonoma State Hospital with his classmates, need only read the first few lines to feel the emotions these young people felt upon encountering the physically and emotionally handicapped youngsters there.

I am sure it was an experience you will long remember. It's no bad more of today's young people do not take the opportunity to visit this institution and its inmates.

We really "goofed" last week when we wrote that incumbent Councilmen Carlevaro, Call and Mark were up for reelection. . . . Councilman George Hein, and not Joe Carlevaro, that we should have listed. Sorry about that, Joe. Your turn will come up soon enough.

Albany residents who have been on the receiving end of telephone solicitations for a so-called "Albany Connie Mack" league, are advised that a mistake has been made—it is for a Berkeley Connie Mack League, and has no connection whatsoever with Albany Little League. Albany Little League officials state their group does no phone soliciting.

Harumi Ban, Albany High School's foreign exchange student, has given up his exchange week (when he would have the opportunity of visiting another family and another school in California) in order to stay in Albany to watch the Winter Olympics on TV.

The Olympics are being held in Harumi's hometown of Sapporo, Japan. He was hospitalized with a broken leg when the pre-Olympics were held in Sapporo last year, in preparation for the 1972 games, and then he had to choose between coming to the United States or staying in Japan for the Winter Olympics.

Having chosen to come to Albany as an exchange student, Harumi wants to be sure to see the games the only way left—via TV.

Related "happy birthday" to Mrs. Eva Grace Lane of Albany, who was 97 years young, Sunday, Jan. 16. Mrs. Lane was honored at a reception held at the United Methodist Church, where she has been a member for many years.

Although Mrs. Lane says her weight isn't as good as it once was, she still manages to keep up on current events. In fact, many of her much younger friends say she puts them to shame with her knowledge and opinions.

The following poem, one of her favorites, sums up her philosophy of life—Age is a quality of mind:

You have left your dreams behind, if hope grows cold;
You no longer look ahead,
If your ambition fires are dead,
Then you are old.

Council OKs Burglaries Increasing Employees

The Albany City Council approved the hiring of two city employees at Monday night's meeting. They appointed Carol S. Garner of 645 San Gabriel as PBX operator and general clerk in the Treasurer's office, and, at the recommendation of Administrative Officer, James B. Turner, Miss Catherine Marie Pursche of 1000 Washington, was appointed to replace Mrs. Leila Rae Hogg, as stenographer in the Public Works and Planning Dept.

Mrs. Hogg had originally been appointed to replace retiring Elda Foott, but because of illness only worked a few days in the position. Mrs. Pursche is currently employed at Cutter Laboratory. Her starting salary will be \$596.00 per month.

Carol Garner has been a part-time relief clerk at City Hall, and was recommended for the position by City Treasurer Marietta Ferreira. Her employment will become effective as of Feb. 1, at a starting salary of \$495.00 per month.

Other Council action included the referral to the Chamber of Commerce of a communication from Abe Koffman, publisher of the San Leandro Morning News, concerning the Centennial-Bicentennial celebration in that city; a discussion of the Administrative Officer's report on the fiscal status of Albany, and the approval of a reimbursement for a pair of glasses lost by Fireman Ray Gonzales during the recent fire at the Albany landfill.

Two use permits were granted—one to Mrs. Don Dowling for permission to use 856 San Pablo Ave. for an antique shop, and the other giving Floyd R. Huckleby permission to expand his present printing business at 918 San Pablo into 920 San Pablo Avenue.

Resolutions introduced and adopted at Monday's meeting included No. 72-05 to levy assessment for the next 12 months on the Masonic Ave. street lighting system, north of Solano; and No. 72-06 approving four proposed charter amendments for placement on the April ballot.

A communication from attorney John Morey Allen, concerning a claim of unlawful arrest, denial of rights and abridging of his civil rights was denied and referred, routinely, to the City Attorney and the City's insurance carrier.

During a "good of the city" discussion, Councilman Joe Carlevaro noted he had attended the first meeting of the Traffic and Safety Commission and the Advisory Committee and was impressed with the youthful enthusiasm of the Advisory Committee. He also asked that the City Administrator make plans for a formal swearing in for the high school students who are committee members.

The Council also discussed the proposed forming of a committee to participate in the formal opening ceremonies for the BART station in El Cerrito. Each Councilman will appoint a member for the Albany Committee, which will be headed by Eldon Parr, who was previously named by Mayor Call. The Committee will meet with Chamber of Commerce secretary, Hal Denham, to discuss the project.

'Thanks' From Albany Sailor

The following letter was received at the Albany Chamber of Commerce office this week. Chamber of Commerce:

I would like to take a moment of your time to thank you for the Christmas package you sent. The candies were good, and I really needed all of the other articles.

Out of all the guys I talked to, Albany was the only city that sent anything to their servicemen overseas. They wished their cities did the same.

I couldn't possibly thank everyone that participated, but I hope you can for me.

Thanks ever so much.
RONALD TORSTROM
EM3, U.S.N.

'72 Maid's New Title

Burglaries of homes and autos in Albany seem to be on the increase, according to Albany Police Inspector Art Smith. However, because an alert resident in the 1500 block of Thousand Oaks saw a suspicious vehicle in the area, articles stolen from the Frank Devine home at 648 San Gabriel have been recovered.

Berkeley police, receiving a call of a suspicious car in the Thousand Oaks neighborhood picked up the trail of Anthony Saavedra, 4610 Overend, Richmond, and arrested him in the 800 block of San Pablo Avenue in Albany. Upon searching him he was found to be armed with a .32 caliber revolver, reported stolen from the Devine home.

A thorough search of his car revealed other items taken from Devine, including a portable typewriter, a Kodak camera, a portable radio, 17 Kennedy half-dollars, 6 rolls of pennies, some costume jewelry, a shaving kit, Samsonite suitcase, and ammunition for the revolver.

The culprit is now lodged in the Berkeley jail, charged on a joint complaint, with possession of stolen property and several counts of burglary.

Michael Barnett, 785 Taft, apt. 4, reported that the front door to his apartment had been pried open sometime between January 16 and 21, by a burglar who took a Panasonic portable 19" TV, a Century Mark IV stereo receiver with 2 speakers, a turn-table with a walnut base, a 35 mm camera and a Kodak camera, as well as a Ricohflex camera and a clarinet with a case. The loss was reported at \$230.

A "messy prowler" entered the home of Norbert Wehrle, 505 Kains Ave., and removed items valued at \$240, including a Sony radio and dinner ring.

Adhesive Products Co. at 520 Cleveland reported that someone entered their parking lot and made off with three 50-gal. metal

Property Owners Meet to Organize

The property owners in Kensington have found that the old adage "Let George do it" just doesn't work. George is usually glad to do it, true. But his services seem to be very costly in the form of higher taxes, expensive upkeep, etc. As a result Kensington is going to represent itself.

The people of Kensington are joining hands to work together. They are meeting Wednesday evening, Jan. 26, at the Kensington School at 7:45 p.m. and will form what may be known as Kensington Property Owners Association.

The purpose of their new association will be to represent all the people of Kensington and to maintain a closer relationship with their government representatives in Martinez. Hopefully, they will be able to obtain some street maintenance, road repairs and a much larger slice of consideration from the County Seat.

Kensington residents feel that their roll in the past has been very close to that of Cinderella and feel that now is the time to "go to the ball."

Call 525-7300

Because burglaries of homes and autos are continuing throughout the city, the Albany Police Dept. is asking residents to be on the lookout for suspicious persons or vehicles in the neighborhoods.

It is not necessary for the caller to give his or her name. Just dial 525-7300 and say their is a suspicious car or person in the neighborhood, and give the details, if possible.

It is much easier for the police to catch the thief while he is still at work, than to attempt to follow a cold trail.

And who knows — the next house or auto to be burglarized could be yours.

Telephone Revenue Not Up To Expectations

Projected revenues from the Pacific Telephone are considerably below Albany expectations, according to a report submitted to the City Council by Administrative Officer James Turner.

In reporting to the Council on the fiscal status of the City, Turner noted that in previous discussions with the Telephone Company they had received a projection that each 1% of utility tax would raise \$23,282 from telephone users.

However, in March of 1971, the Company revised that estimate downward, and stated that after a review of their 1969 figures, the amount produced by the 1% would be lowered to \$15,920 a year.

Indicating that the initial figure given had been done on a very rough basis, and that at the time they did not have an accurate indication of the number of telephones in Albany within the various prefixes, it was noted that the figure of \$15,720 anticipated revenue for each percentage of utility tax was contemplated during the applicable portions of 1971-72 period.

Turner reported that when he checked with the Telephone Company in November, when the first returns had been received, the Telephone Company indicated that their revenues would only produce approximately 63% of the amount they had named in March.

The City Administrator then asked for a review and double checking of the revenue amounts, in order that the City could be sure they were receiving everything they were entitled to under the Utility Tax. And, since that time, Turner has been in weekly contact with the Telephone Company, trying to get further refinement and answers to the many questions concerning this reduction in revenue.

A Report From Our Weatherman

According to George Bernard, unofficial weatherman for the area, we have had .76 of an inch of rain since his last report.

To date we have had 8.15 inches of rain, as compared to 21.02 inches at this time last year—in other words, we are 12.87 inches behind.

To quote George, yesterday may be the day of the beginning of our rain—they may have opened up the faucet, so get out your umbrellas, boots and rubbers, you may be needing them.

CUT POLLUTION
A misfiring spark plug can increase unburned hydro-carbon emission by 300 percent. A tune-up can correct this problem.

EAGERLY WATCHING the Saylor Candy Chef prepare their Camp Fire mints, long a tradition with the candy firm's Oakland factory, are (left) Blue Bird Renee Blenck, third grader and one of El Cerrito's top candy salesmen last year, and Mary Thomson, Albany sixth grade Camp Fire Girl, whose mother leads one of the largest and busiest groups in the area. Local candy sales will begin Friday, Jan. 28.

AHS Junior Wins Speech Contest

Bob Nichols, Albany High School Junior, and a member of Richard Hillman's Public Speaking class, is continuing his quest for the state championship in the Veterans of Foreign Wars Speech Contest.

Bob, who won his first contest here in Albany, against San Leandro High School and Berkeley High, followed that triumph with another, last week, when he defeated Alameda, Piedmont, San Lorenzo and Oakland High School contestants.

Bob has one more contest to win before he can enter the State Contest. If he comes out on top in the competition to be held in San Carlos on Sunday, Feb. 6, he will be eligible to enter the state finals.

The contest carries an \$8,000 scholarship, plus an all-expense paid trip to Washington, D.C. and appearances on coast-to-coast national radio and TV programs.

All the judges have had high praise for Nichols, who will now be meeting the keener competition of other district winners. However, Mr. Hillman has voiced his confidence that Albany will produce a state winner this year.

School Group Issues Report

On January 1 of this year, Albany citizens completed paying for a \$25,000 25-year bond, which financed the construction of Vista and MacGregor Primary Schools, as well as the east wing of Cornell Elementary School and the completion of Albany Pool, according to Jerome Blank, Finance Subcommittee chairman for the Citizens' Advisory Committee.

"Figuratively speaking," Mr. Blank noted, "Albany has burned the mortgage on these properties."

Members of the Population and Enrollment Trends, Educational Planning, and Rehabilitation and Construction Committees have researched questions relating to their topics, which are now being studied by the entire Citizens' Committee.

Ideas are now being formulated, and the Citizens' Advisory Committee invites all interested Albany residents to join them to hear the discussions at their weekly meetings at 8 p.m. each Monday in the Cornell School cafeteria.

A series of public displays, relating to earthquake safety and the schools, are being planned for key centers throughout Albany. Places and dates will be announced soon.

THE TRADITIONAL doorbell ringing for the annual March of Dimes Mothers' March is being held this week. Making a last minute check on materials for the mothers' kits are Albany co-chairmen (l to r, seated): Mrs. Lee Seidel and Mrs. Lorin Baum, and Mrs. William McKenna, Marin School chairman. Other Albany area chairmen include, standing l to r: Mrs. John Paccetta, University Village; Mrs. John Thomson, Vista School; Mrs. John Ferris, Albany High School; Mrs. William Chambers, Vista School and Mrs. Leonard Askham, University Village. Funds collected will be used to support birth defects research centers. Birth defects still strike 250,000 each year in the United States.

Calling All Easter Bunnies

Wanted: Easter Bunny volunteers to create holiday eggs, decorations, stuffed animals and fun things for sale in the Y's Buy Shop at 1515 Webster Street. Shop proceeds benefit YWCA services to women and girls in the Oakland area.

Women who like to make things are invited to join the YWCA's Women's Workshop, which meets each Thursday from 10 a.m. to 12 noon at 1515 Webster St., under direction of Elizabeth McDonald.

The volunteers are asked to donate their time as a community service. The YWCA provides materials and instruction. Women who have creative ideas of their own are encouraged to help teach the group.

The Mail Bag

Editor, the Times:

I want to thank your readers who responded in December to Herrick Memorial Hospital's request for Betty Crocker coupons. We have reached our goal of 720,000 coupons for a Bekezy Audiometer for the Speech and Hearing Clinic—Delta Zetas, who sponsored the project, are elated!

The Herrick Memorial Hospital Guild, wishing to give a helping hand to other health organizations in the East Bay, will continue to accept and save Betty Crocker coupons. (At this time the Easter Seal Society is collecting coupons to send handicapped children to summer camp.) I urge your readers to continue sending Betty Crocker coupons for such worthwhile projects which General Mills will continue to support.

Sincerely,
VIRGINIA BROBST,
Chairman, Betty Crocker
Coupon Project.

Editor, the Times:

It is not my intention to cause a rift between our excellent Fire Department and our fine Police Department; however, I feel that I am a stockholder and taxpayer who is contributing my share toward paying their wages, and I should have a voice in determining what course of action should be taken.

CLINT EASTWOOD in
"Fist Full of Dollars"

Parity? Disparity? Inequities? Let's look at the facts.

The firemen work 56 hrs. per week, while the policemen work 40 hrs. per week. The policeman earns over \$2.00 per hr. more than the top wage earner in the Fire Department.

Fact: Fire Department \$4.21 per hr. Policemen over \$6 per hr. Fact: Policewoman Clerk, over \$5 per hr. Fireman top wages \$4.21 per hr.

Fact: Policemen and policewomen work 40 hrs. per week, while the firemen work 56 hrs. per week. Parity? Indeed not.

Fact: The Police Department gets new cars with periodic frequency, and justly so, while the Fire Department must work with antiquated equipment.

Fact: The Fire Department has one engine 1926 vintage, and one engine 1940 vintage, and a snorkel that can outperform both of the antiques, thanks to the intelligence of the fine firemen who designed it.

I hesitate, with great fear, to think what would happen in the event of a major fire in our city. What would happen if we had a fire in the many large apartments in our city? Thank the foresight of our Fire Chief and his men for the snorkel engine.

Now it seems that in order to give the Police Officers an increase in their salary, someone has to subsidize that increase, otherwise where is the money coming from? You see, we must keep our policemen happy and on a parity with other large cities. So, guess who is nominated?

We have a city administrator who, incidentally, doesn't live in our city, nor does he pay any taxes in our city, and who is given broad powers to set policy and make most of the decisions which should be made by our Councilmen. Time after time, the Councilmen transfer their responsibilities to one man. And I dare say that this man has strong feelings about running our city government.

This could open up an avenue of new thought and argument as to who is guiding the future of our City.

In the interest of fairness to our two fine departments, Police and Fire Departments, let the voters of Albany decide the issue. And above all, please let your voices be heard. For if you don't, you will be giving up one of your greatest freedoms.

Sincerely,
RAYMOND CIRIMELI

CCCT Presents Allen Comedy

Mix together a cast of 19 assorted actors and actresses, a live rabbit, a homing pigeon, assorted guns, ersatz bombs and a series of absolutely insane events and you've got the plot and action of "Don't Drink the Water," Woody Allen's outright spoof of international diplomacy now being presented at the Contra Costa Civic Theatre, 951 Pomona, El Cerrito, for a six weekend run.

Starring Anne Haslett, George Meyer and Richard Shore, the Allen comedy, directed by Betty McCarthy, has to do with the incredible goings on in an American Embassy "somewhere" behind the Iron Curtain.

Featured in the cast are: Robert Cooney, Douglas Him, Ben Hunt, Donna Jasper, Stuart McIntyre, John Campbell, Louis Flynn, Roger Gorrell, Patricia Cho, Larry Jasper, Charlotte Meyer, Kathleen Flynn, Darlene Gall, Nikki Ann Nahmens, Kathleen McIntyre and Patricia Gorrell.

Chuck Myer and Rick Brown handle lights and sound. Louise Sullivan and Bill Jensen are in charge of properties. Dale Myer and David Reeves contrive the special effects.

Reservations (524-9132) are suggested for "Don't Drink the Water," which will run every Friday and Saturday at 8:30 p.m.

Consumers Test Credit Charges

Department store credit charges estimated at \$100,000,000 per year are being tested in court trial, before Alameda County Superior Court Judge William Brilesford, in the Administration Building Courtroom, 1221 Oak Street, Oakland.

"What is involved in this multi-million overcharge to revolving charge account customers is the use of the 'previous month's balance' in computing finance charges," stated Mrs. Sylvia M. Siegel, consumer consultant. "The lawsuit challenges the prevailing billing practices of department stores in California by contending that all payments and credits should be deducted before credit charges are computed. Bank charge accounts, credit cards, J.C. Penney's follow this latter 'adjusted deposit'."

The consumer class action suit against Sears-Roebuck, Montgomery Ward, Macy's, Breuners, Goldman's, Grodins, and Smith's is the first such action to reach the trial stage in California. Previous consumer class action cases have either been demurred, settled out of court, or not scheduled as yet.

Attorneys Hal Seibert and Leon

through February 19.

The new Contra Costa Civic Theatre is located at the corner of Mooser Lane and Pomona, El Cerrito.

Seyranian of Oakland, and Marshall Grossman of Los Angeles, represent a group of consumer lawyers involved in 47 separate actions filed against 22 department stores in Alameda, Los Angeles, and Santa Clara Counties.

The public trial found 15 plaintiff and defendant lawyers and a packed courtroom to witness this important middle-class consumer test.

CHAINS

Tire chains are still the best means of preventing a skid. However, adds Liberty Mutual Insurance Company, studded and regular snow tires also provide better traction than normal tires. No tire is skid-proof, though—so be careful.

Have You Heard?

(Continued from Page 1)

But—if through life you seek the best, and—if in life you keep the jest, I love you hold, no matter how the years go by, no matter how the birthdays fly, you are not old.

Jerry Blank has been a very busy man of late. In December he took a three-week Caribbean cruise on the T.M.S. Fairsea's maiden voyage, as one of the scheduled panel of speakers on the C.R.E.A. Conference at Sea, speaking on investment properties.

At the last minute, the president of the National Association of Real Estate Boards had to leave the speakers' panel, after being appointed by President Nixon to the National Rent Board, and Blank stepped in and gave his talk on the first day of the conference.

Upon his return, Jerry moved his office, tore down his old building, and is now back in the real estate business at 948 San Pablo Ave.

The efforts of concerned residents in Kensington, to organize a Property Owners' Association, are to be applauded. We feel that every property owner in Kensington will realize the full potential in having his voice heard, along with that of his neighbor, and we hope there will be a good turnout tonight to form a new democratic association.

That gad-a-bout, girl-about-town, Toni Stallone, who just

spent a fortnight in Hawaii on the Island of Maui, is easy to identify now. Just look for a blonde with a beautiful tan . . . driving a car sporting license plates TONI 09.

The plates were a Xmas gift, and Toni says that's just the thing to give a friend or relative who has everything, and at the same time help a good cause—the Ecology Program.

Charles Lindh, long-time Albany resident and member of Albany Post 292, American Legion, will celebrate his up-coming 85th birthday in a grand manner.

His children are giving him a joint birthday gift—a trip to the Mariana Islands to visit son Carl and his family, who now reside in Saipan. Albany residents will remember Carl as a former juvenile officer with the Albany Police Dept.

The "flu" is taking its toll in the Albany Fire Dept. ranks. Latest victim is Capt. Richard McSheehy. Also on the flu list are Rich Courtney, Tom Olsky and Mike Koepke. Just out of bed and back on the job is Frank Westphal.

Ray Gonzales is off, suffering from a heel infection he picked up last week while fighting the landfill fire.

Assistant Chief Bill Hutt is in Merritt Hospital in Oakland, recovering from an operation performed on him last week. He will be "out of service" for about six weeks . . . and at a time when the well men are having to do double duty, somebody in the area is getting his "kicks" by turning in false alarms.

Also on the hospital roster is

Police Warning On New Racket

Albany Police Chief, Ralph Jensen, has issued a warning to residents concerning a new racket in the area.

If a stranger comes to your door, representing himself as a police officer, saying that someone in your neighborhood is passing counterfeit bills—be aware!

His next move will probably be to ask to check the bills you have in your wallet or purse. If things progress according to plan, someone will ring your door bell while this is being done, and as you excuse yourself to answer it, your visitor will beat a hasty retreat out your back door . . . with your bills.

If anyone should approach you in this manner—don't let them in your house. But, call the Albany Police Dept., 525-7300, immediately.

SAFE CAR

Drive only a safe car, advises the National Automobile Club.

Louise Damonte, of the Ivy Room-Damontes, Louise, who was operated on yesterday at Albany Hospital, is feeling "as well as can be expected," according to husband Emile's report. We wish her a speedy recovery.

Sign-of-the-times, noted in an optician's office: "If you don't see what you want, you've come to the right place."

Current house guest at the Bruce Barrows' home is Mrs. Barrows' sister, Mrs. Mabel Mosely of San Antonio, Texas.

Gladys Barrows' other sister, Anna Toalson, went home from her visit here last year so full of enthusiasm for the Bay Area, that Mabel just couldn't wait to come out to see for herself.

Bruce's mom, Vonnice Vierra, is doing a "second time around" sight-seeing tour of points of interest . . . since Bruce attends school in the days and works evenings, and Gladys works during the day, so Vonnice drives the tour bus and cheerfully shows Mabel just what she showed Anna last year.

MEMBERS of the Veterans of Foreign Wars, Ladies Auxiliary Post 2685, bid a fond farewell to Erwin Russell, who is retiring after 13 years as custodian at the Albany Veterans Memorial Building. Presenting him with a gift of his favorite cookies is Nora Healy, chaplain. Others joining the good-byes are (l to r): Mary Church, patriotic instructor; June Henderson, president, and Maybelle Allen, treasurer.

Popular Custodian Retires

The many clubs and organizations using the Albany Veterans Memorial Building for their meetings, will miss the smiling face of custodian Erwin Russell, who has been their friend for the past 13 years, and who retired recently because of ill-health.

Erwin could always be depended upon to have the meeting rooms in ship-shape order, with plenty of chairs and other necessary equipment on hand to insure that the meetings and other events would be held "without a hitch," and he will be sadly missed.

Among his many friends who will note his absence is Charles Lindh, a member of American Legion Post 292, and a good "pool playing" pal. According to Erwin, who is an excellent pool player, he taught Charlie how to play the game. But the tables have been turned, and now the pupil is beating the teacher. In fact, Charlie has been declared the Building Pool Champ for 1971.

Among the groups who have been on the receiving end of the custodian's excellent service are: the Veterans of Foreign Wars and the American Legion and their Auxiliaries, the Fleet Reserve, the Jewish Sunday School Dinner and Dance Club, and several other dance clubs, the Albany March of Dimes, the Berkeley-Albany Trade Club, the Albany Boosters Club, the Albany Lions and Albany Boy Scout Troop 12.

YWCA Bridge

The first in a series of dessert bridge parties will be held at the Berkeley Community YWCA, 2134 Allston Way, on Wednesday, Jan. 26, at 1 p.m. All bridge enthusiasts are invited to attend. Admission will be \$1 per person. Reservations should be made by calling the Y, 848-1882.

It is hoped that groups will be formed which can meet regularly thereafter. If sufficient interest is expressed in forming an evening bridge group, this can also be done.

Fish Fry is A'Comin'

Just a little over a week to go before the Albany Band Booster Fish Fry . . . and everything (well, almost everything) is in readiness. Such esteemed fry cooks as Ken Forry, our superintendent of schools, Chris Van Eckhardt and Ollie Ganong, are warming up the griddles at the Cornell cafeteria where the popular event will be held. Jean and Jack Rosano, the Fish Fry chairmen are putting the volunteer waiters and waitresses, dishwashers, and all the rest, through their paces. Every member of the band, orchestra and instrumental classes are selling their allotted number of tickets and coming back for more.

For those who are not approached by members of Albany High's music department, tickets will also be sold at the door. The Band Boosters feel that it's only fair to tell everyone that the price has been raised from \$1.00 to \$1.25 this year. When one realizes that the \$1.25 includes tempting fillets of fresh red snapper, cole slaw, French bread (buttered of course), French fries, and mouth watering slices of home made cake, plus coffee, tea or milk, it would seem that the Band Boosters Fish Fry is still the biggest bargain in town. Interested bargain hunters are invited to come to the Fish Fry any time from 5:30 to 7 p.m. on Friday, Feb. 4.

Interested bargain hunters are invited to come to the Fish Fry any time from 5:30 to 7 p.m. on Friday, Feb. 4.

Peace Bridge

Albany Rotarians were fascinated, recently, as Professor T. Y. Lin, an international authority on the use of pre-stressed concrete in construction, described a plan for constructing an inter-continental Peace Bridge across the Bering Strait, thereby joining Siberia with Alaska.

Prof. T. Y. Lin stressed the fact that a bridge across the 56-mile strait is now technically feasible, but a way to pay the construction cost of one billion dollars still needs to be solved.

His suggestion is that the bridge could easily be financed with 1% of the defense budgets of Russia and the U.S. (presently 175 billion dollars), and would provide an excellent opportunity for the two nations to cooperate in a gigantic peace project that would benefit all mankind.

Clubs and Organizations

W. H. Simpson, Jr., Commander, U.S. Navy, Retired, will be guest speaker at the January 26 luncheon meeting of Branch 2, Sons in Retirement, to be held at Spenger's Grotto in Berkeley. His subject will be "The Other China—Taiwan." The Commander spent a 3½-year tour of duty as Primary Operational Advisor to the Navy of the Republic of China in Taiwan, just prior to his retirement.

Regular meetings of the Albany Republican Women, Federated, will be resumed on Wednesday, January 26. Dessert will be served at 12:30 p.m. by President Doris Blumberg who will act as hostess.

Since this is an election year it is hoped that many Republicans will attend the meetings and join the club. Meetings are held at Security Savings & Loan on Solano Avenue, the fourth Wednesday of each month.

The following Branch 2, Sons in Retirement officers were installed last month for 1972: Big Sir, Homer D. Stephens; Little

Sir, George T. Coughlan; secretary, Arthur Frederickson; treasurer, William T. Collum; assistant secretary, Harold I. Goldstein; and assistant treasurer, Adolph C. Sandner.

New directors installed were: Frank E. Baxter, Harold E. Brillhart, Victor R. Cooleedge, Ernie Damsell, Albert T. McCord, Arthur Scott and Earle R. Wall.

Installing officer for the affair which took place last month during the club's annual Christmas party, was Homer Bemiss, past president of the State Corporation.

The Albany Beautification and Improvement Committee will meet Wednesday, Jan. 26, at 8 p.m. at the City Hall.

Since there were no meetings during November and December, Chairman John Duncan hopes that each member will make a special effort to attend this meeting.

Monday, Jan. 31, will be Guest Day at the Northbrae Woman's Club. Special guest will be Miss Carole Larsen, "The American

Nightingale," who recently gave a command performance at the White House.

The meeting will commence at 1:30 p.m., at 2716 Derby St., Berkeley.

Pocahontas Mrs. Frank Orlich of East Oakland announced that the members of Laruka Council 46, Degree of Pocahontas, will meet on Thursday, Jan. 27, at the Foothill Blvd. Women's Club, 2535 Mason Street, for their annual "Hobo" night and dinner. There will be a regular business meeting following the dinner, so members should come prepared.

Chairman Mrs. William Savage of Albany and Mrs. Fred Bates of San Lorenzo will serve a "Mulligan Stew" to the members attending the dinner at 7 p.m. Members are also reminded to bring their own bowl and eating utensils.

With Alma Compton, the president presiding, Sequoia Parlor 272, Native Daughters of the Golden West will meet on Thursday evening, Jan. 27, at 8 p.m. in the Veterans' Memorial Building, 1931 Center St., Berkeley. Final plans for the February activities will be announced and a new password will be given out. Reports of the various committees will also be made.

Refreshments will be served following the meeting.

The Alameda County Democratic Women's Study Club will continue its 40th Anniversary Year with the second half of a report by Mrs. Frances Albrier, former president of the Club, on the Conference for the Aging, held recently in Washington, D.C.

SENIOR CITIZENS

846 Masonic Ave.

By Kay (Sis) Haesloop

Today at 10:30 a.m. we will have as our Creative Retirement speaker, Gladys Worthington of the East Bay Social Planning Council. Her subject will be "Housing for Senior Citizens." At 12:30 p.m. we will have our weekly "World Affairs" program, during which Prof. Leo Vuosalo, political science teacher and world traveler, takes us to a different country each week with films and discussions.

Thursday from 10:30 a.m. to 11:30 a.m. we will play "Bingo" at our Get Together, followed by a half-hour of community singing; bring your lunch and stay for an afternoon of cards.

On Friday at 10 a.m. we will work on our Community Service projects and at 12:30 we will have our Bridge Party.

A musical program will follow.

Members of the Albany Lions Club will meet at the Veterans Building at 7 p.m. Thursday to set up tables for the Crab Feed to be held the following night.

There is a very faint possibility that a few tickets may still be available for this very popular event. Anyone desiring a last-minute ticket should call Pat Neylon, 525-1597 or Al Drozda, 526-9921, days; or Del Wisenor, 525-2640 eves. They will know if any are still available.

Sunday we hold "Open House" from 11 a.m. to 4 p.m., with coffee, cards and conversation; Monday we are open from 10 a.m. to 5 p.m. for those who care to "drop in" for a visit, and Tuesday at 10 a.m. is our Craft Class.

Our Community Service ladies, who meet each Friday at 10 a.m., have just completed a small project for the Alameda County Heart Association. They stamped and colored 11,000 brochures for mailing, and plan on doing much more for this and other worthwhile agencies.

Anyone interested in helping on our Community Service projects on Friday morning is cordially invited. For further information, call the Albany Senior Center, 56-1601, Beulah Belling, Director.

Greek Course

Courses in the increasingly popular Modern Greek Language for beginners, intermediate and advanced students are being given at the Oakland Evening Adult School, 3233 Park Boulevard, Oakland, and are the only ones offered in the public schools in the entire East Bay Area.

The classes are held each Tuesday night. The registration fee is \$3.00. Further information may be obtained from Oakland Evening School, phone 451-5252.

Savings up to 50%

Just a few days left of our tremendous clearance sale of beautiful gifts, accessories and greeting cards.

Landmark Gone P & R League Standings

Solano Ave. shoppers were surprised when driving by the Bank of America, to see the familiar Jerome Blank Realty landmark building demolished, with an empty lot remaining. All was made clear when Jerome Blank explained that he had sold half of his lot to the Bank to enable them to add another lane of parking. He retained half of his frontage, and his architect, John L. Hogg, of Albany, is now working on plans for a new three-story office building which will be integrated into the existing 7/11 Shopping Center complex. Blank plans on occupying the entire top floor, and will rent the main floor to a large financial institution, with the Bank level floor to be leased to office tenants.

In the meantime, Jerome Blank Realty has moved to Town Centre Shopping Center, 948 San Pablo Avenue, Albany, just north of the Albany Civic Center. Blank had occupied his former building since it was built in 1950. "Many of our old clients were shocked to see our building demolished," he stated. He told of calls of concern from even strangers. However, when they were told of the new plans, everyone seemed happy over the new development.

Blank, a member of the Cali-

JIM Woulfe Ford, Inc.

836 SAN PABLO AVE. — ALBANY
"Our A-1 Used Cars Save You Money Too"

COME CHECK ALL OF YOUR FORD TEAM'S MUCH LOWER STICKER PRICES!

Anyone who has small children knows how easily their curiosity can lead them into unfamiliar surroundings. Once in a while they can get a little too far away and find themselves "lost."

If you take the time to teach your child his phone number, though, you can be pretty sure that he'll never really get lost. If he ever does lose his way, all he needs to do is ask someone to call you.

When you pay your phone bill by mail, or in person, please remember to return the punched payment card. It helps us make sure your payment is properly credited to your account. When you return the payment card by mail, please be sure that the address is showing through the envelope window, and that the envelope is sealed with the adhesive on the flap, rather than tape. If you pay in person, we would also appreciate your bringing the bill with you.

The next time you need information about your telephone service, check the front of your phone book. To make it easier, we've included an index that tells you where to find long distance calling information, Area Codes, local calling areas, prefix locations, and other helpful information. And on the inside cover, we've provided spaces for you to keep numbers you might need in an emergency for the doctor, police, and fire department.
